

Dear Students,

Do you swim in the sea every summer? In the sea, two hundred and twenty-nine thousand animals swim every day. At the same time, over two thousand sea animals are endangered.

You can show your love to those animals now. Please join “Save Our Sea Animals” this Monday. What can you do?

1. Don't throw trash in the sea. Animals may eat it.
2. Clean a dirty beach. Make beaches safe for people and turtles.
3. Carry reusable water bottles and shopping bags.

Talk about this event with your family. Save the sea animals with us!

Your principal,
Jason Huang
