P.38

閱讀測驗。

Green Town is a small place near the mountains. My uncle lived there twenty years ago when he was young, and he still lives there now. Twenty years ago, it was quiet, and there were only three shops there. The river was clean, and the trees were tall and green. Moreover, there were farms everywhere.

Now, there is a new metro station in Green Town. Many people live around it. There are tall buildings and factories everywhere. The air isn't clean, and the river is dirty. Everything is different in Green Town. My uncle does not like the change.
