閱讀測驗。

Ethan is my brother and he can do a lot of things. He likes sports. He plays basketball, baseball, and tennis. He practices basketball after school every day. He wants to be a good player and play on the school basketball team one day. He likes music, too. He sometimes plays the guitar for my parents and me, and we always give him a big round of applause. He really has a gift for music.

Mom and Dad don't worry about Ethan's grades. He is a good student and he sets a good example for me. He is my brother, and I love him.
