Reborn Life

延續第二課的議題，一位女童經歷早婚、婚姻暴力、被拯救後的新生活發展。

Welcome, everybody. I'm Paula. My artwork is all about my life. Please look at the picture. I made it at the age of 12. Sadly, I got married to a 40-year-old man that year, too. I was just a kid. I had no choice. But I knew that was wrong.

I lost the chance to be a happy girl. I could not go to school anymore. I was cleaning home while the school bus was passing by. I was making dinner while the children were playing outside.

I then had a baby when I was 14. I looked after the baby. I took care of my husband. I did everything to make my home right. But I couldn't sleep at night. My husband always hit me, and I cried loudly. I would die if I didn't run away.

I ran away. I looked for help. IJM found me. I left my family and started a new life. I went to school again. I picked up brushes. I painted and painted. I painted everything about my sad marriage.

I'm the lucky one to get out of the nightmare. There are still lots of children in there. They really need help. Please show our care. Thank you for coming. Please enjoy the paintings.

Visit Famous Tourist Attractions

延續第五課主題，Alicia寫下在臺灣的旅行日記。

Dear Daddy,

I tried to sleep, but I couldn't. I had so much to tell you. Before I go to bed, I'd like to tell you about my trip.

It was a good idea to start in Bei-Tou because the hot springs were amazing. We also visited an eco-friendly library and took a lot of pictures. The next day, we hiked in the mountains. It took us about five hours to finish. It was not easy, but the view was worth it! Taroko Gorge is a must-go in Taiwan! Day 3 and 4 are all about animals. We stayed on a farm in Nantou. The sheep, horses, and butterflies are cute. And it was cool and comfortable in the hills. No one remembered to use sunscreen, so we all got sunburn. We prayed at a famous temple in Lugang today. The temple is beautiful. The old street was also a fun place to go. Meat buns and roasted wheat flour ice were on my list because they were very delicious!

Oh! It's 22:50 already. I have to get up early tomorrow because I really want to try the famous beef soup in Tainan. Good night, Dad. I will talk to you soon.

Dream House

Annie看到Print Your Dream House這則廣告很心動，所以打電話向Peter詢問。本文是第二次打電話，向Peter告知自己和老公討論後的決定。

(On the phone.)

Peter: Hello, Print Your Dream House. How can I help you?

Annie: I'm Annie. I have already decided on my house style.

Peter: Great! So which style do you want?

Annie: We want a country-style house. John and I work in office buildings during the daytime, and that's why we'd like something different after work.

Peter: Good choice! And how many rooms?

Annie: Because we often have lots of parties, we'd like to have a big living room and a big kitchen.

Peter: OK. And?

Annie: Three bedrooms and two bathrooms.

Peter: Nice. Do you have any special requirements for them?

Annie: There should be windows for each room.

Peter: That's an important point. Anything else?

Annie: That's everything.

Peter: Great. The house will cost you NT\$300,000. Is that OK for you?

Annie: It's a great price. Thank you. How long will it take to print the house?

Peter: Five days.

Annie: How fast! I can't wait!
