Last week, my parents drove us to Kenting. We spent three days there and really enjoyed ourselves. We stayed at a very nice hotel near the beach. In the morning, I got up very early and listened to the birds singing. When the sun began to rise, I took a walk along the beach to enjoy the fresh air and feel the clean sand under my feet. After I ate breakfast, I stayed at the beach and watched people surfing. In the afternoon, I rode a bike and took some pictures of the beautiful sea. In the evening, my parents took us to different restaurants to have delicious food. Before we went to bed, we enjoyed looking at the starry sky from the beach. We had a good time during the vacation. I hope we can visit Kenting soon.
